WELTEK-NURO

Struggling with the discomfort of “diabetes fog,” burning feet, or a loss of sensation? **WelTek-Nuro** is a targeted health supplement designed to assist and support optimal nerve health. Manufactured by the trusted brand MSN, this over-the-counter daily supplement provides a powerful blend of ingredients to not only maintain healthy nerves but also encourage the repair of your sensory system.

Whether you are dealing with nerve injury, nutritional deficiencies, age-related changes, or conditions like diabetes, WelTek-Nuro works to combat numbness, tingling, and muscle weakness.

Its comprehensive 12-substance formula features:

- **Methylcobalamin & Pyridoxine:** Essential for supporting the normal functioning of the nervous and immune systems.
- **Alpha-Lipoic Acid:** A powerful antioxidant that helps prevent cellular damage.

- **Folic Acid:** Assists the body in producing healthy red blood cells.
- **Benfotiamine & Inositol:** Included to support cellular function, growth, and metabolic processes.

Regain mental clarity, energy, and physical comfort without the hassle of a doctor's visit. WelTek-Nuro is a convenient Schedule 0 product, meaning no prescription is required.

GLUCOJEL (BOX CONTAINS 25 SACHETS)

Glucojel Fast-Acting Glucose Gel (25 x 25g Sachets)

Keep your glucose levels stable and your energy up with Glucojel. Whether you are proactively managing diabetes or pushing your limits during a heavy workout, these rapid-absorption gel sachets provide a highly effective, immediate source of glucose right when you need it most.

Key Benefits & Features:

- **Rapid Absorption:** Formulated for immediate sublingual intake. Simply squeeze the gel under the tongue or against the bottom lip for lightning-fast absorption into the bloodstream.
- **Essential Diabetic Support:** A reliable, easy-to-carry safeguard to quickly effectively manage low blood glucose (hypoglycemia) episodes.
- **Boost Athletic Performance:** The perfect quick-energy fuel for runners, cyclists, and endurance athletes needing an immediate mid-workout lift.
- **Convenient Bulk Supply:** Includes 25 individual 25g sachets neatly packed in a practical storage box—perfect for keeping in your pantry, gym bag, or car.
